Are you a teacher who is passionate about forming attachment-based relationships, engaging in respectful and responsive practice, and communicates well with infants and toddlers through trust and partnership with whanau? Do you have a true passion for infant and toddlers learning? Love low ratios? If this sounds like you then please read on.

The Ruahine Kindergarten Association (RKA) is a not-for-profit organisation with a child-centred approach and low ratios. We are excited to offer an opportunity for a dedicated Under 2's Teacher to join our community-based early learning centre in Pahiatua. Pahiatua Early Learning has a 50 place multi license with a team of 8 teachers, with a separate space within this for under 2 year old children. This could be an ideal opportunity for newly graduated teachers with experience and passion for infants and toddlers. The preferred applicant will have availability between 7:30am and 5:30pm and the ability and willingness to work until closing.

Along with this you will be a team player with a real passion for tamariki and their whānau, working closely with a tight-knit community, and a deep understanding of bicultural and sustainable practices. Moreover, you will need to be fully qualified in ECE and registered with a current first aid certificate. However, support to gain a full First Aid certificate, and with a PCT journey, would be provided to the right applicant.

Working with RKA means you will have access to outstanding support and the resources to provide an amazing experience for children and community in a true 'not for profit' environment. Please note these positions are offered under Individual Employment Agreements.

An immediate start is available for the successful applicant.

In return RKA will welcome you as a valued member of our extended whānau while offering generous ongoing professional support; quality continuous professional development that is second to none; 5 weeks annual leave; 10 days sick leave per annum; 5 hours non-contact per week; 5 teacher only days per annum; 7 days paid PD plus additional paid PD opportunities AND competitive remuneration.
